We are able to offer our volunteers tickets to shows. The more shows you sign up for, the more opportunities you have to receive tickets.

Volunteer With Us!

"A people place that is a theatre, a concert hall, an entertainment tool, a dance and opera house, a film theatre, a lecture hall... A performing arts centre must be all of these, but most of all it must be a warm, happy, busy place that is a pleasure to visit as an audience or to work in as a performer or a technician. Participation is what it is all about... Oakville residents may be in the audience one night, and perhaps, on stage the next."

Student Volunteer Program

If you are in Grade 11 and in need of your volunteer hours then look no farther. The Oakville Centre is looking for energetic and outgoing students to volunteer with us in the spring. For 4 to 6 weeks, beginning in May, we are in need of student help while we host several dance schools which hold their annual recitals at the Centre. If you can commit to, and complete, two shifts a week for 5 weeks then we will award you with a certificate of 40 hours of volunteer service. Once completing the program, any student that wishes to join our permanent volunteer group in September is welcome to. All hours will be recorded. All benefits of belonging to our volunteers will be awarded. Minimum age of 16 years and in Grade 11 (volunteers under 18 require written parent consent).
