

Message from Halton Regional Chair Gary Carr

On behalf of Halton Regional Council, I would like to congratulate the Oakville Centre for the Performing Arts on celebrating your 40th anniversary this September.

The Oakville Centre for the Performing Arts has been a cultural hub for our community since it opened its doors in October 1977. By attracting talented performers, you have provided residents with countless opportunities to experience local, national and international culture. The 2017-18 year continues this fantastic tradition—with a wide variety of performances from musicians and dancers to live theatre and cultural events celebrating our Canadian identity – there is something for everyone to enjoy.

The Centre also fosters a stronger, more vibrant community through initiatives that invite us all to celebrate the arts. Events such as Ontario Dances, the Oakville Jazz Festival and the many lectures and art exhibitions that have had a positive impact on local artists, students, visitors and families have improved the quality of life for everyone in Halton.

Once again, I would like to congratulate and thank the Oakville Centre for the Performing Arts and all of its partners, sponsors and volunteers for your hard work and contributions. I wish you continued success as you reach this exciting milestone this fall. Your ongoing efforts to support and showcase the arts help make Halton a great place to live, work, raise a family and retire.

Sincerely,
