Greetings from MP Oliver

It is an honour to congratulate the Oakville Centre for the Performing Arts for their 40 years of wonderful performances and community activity. The top quality, hard work and dedication of performers and stage crew have provided towards the experience of a lifetime for many in our community.

Thank you to all involved for providing continual cultural enrichment for our residents, for the years of artistic inspiration and for entertaining each and every one of us that has had the pleasure of attending a performance.

My family and I look forward to many more years at the Oakville Centre, and encourage all residents of Oakville to take some time and enjoy the many gifts that the performing arts have to offer on this celebration of their 40th anniversary.

On behalf of my colleagues in the House of Commons, the Prime Minister, and the Government of Canada, please accept my sincere congratulations and best wishes.

Sincerely yours,
