Dear Friends,

On behalf of the Federal Government, I am thrilled to extend my warmest congratulations to the Oakville Centre for the Performing Arts on its 40th anniversary. Thank you for inspiring an appreciation of the arts and culture within our community through music, dance and live theatre that is local, national and international in scope and talent.

The Oakville Centre is the only professional quality performing arts venue in town, marrying small-town life with the kind of world-class entertainment and culture that big cities boast of. Oakville's support for the arts has fostered a strong creative community, making our town a great destination for lovers of theatre, music, art and dance, drawing visitors and tourists from outside our community as well.

I've attended the Oakville Centre for years, enjoying Big Ticket Membership, and I am always impressed by the intimate atmosphere of a world-class theatre so close to home. Over its 40 year history, the Oakville Centre has found innovative ways to employ the arts to improve and strengthen our community, encouraging diversity, tolerance, freedom of expression and inclusion.

Thank you for your integral contribution to our community. I look forward to continuing to enjoy innovative, educational and entertaining performances at the Oakville Centre for years to come.

Sincerely,

A handwritten signature in cursive script that reads "Pam Damoff".
